I am assuming they are taking [REDACTED] to the hospital. He couldn't walk. He said it had been over a week.

I contacted Village Of Love and spoke to Joe Harrison. He/They are aware.

Glad you called them. Did they take him to the hospital? Have you been able to reach VOL?

They took him away on a stretcher.
An officer Hogan was here.
Village of Love, not maliciously, has let these people down.
Put them in situations they weren't ready for, with no planning
and very little support.

It's unfortunate

We have a call in for a welfare check. When an officer is free he will stop by.

I would call our non emergency dispatch and request a welfare check by our mobile mental health staff. They typically get on after 11AM. Dispatch will most likely send uniformed officers as well. Dispatch number is 510-981-5900.

Officer Valle,

How are you today sir?

I am hoping to get some advice on what to do for one of the YMCA Residents.
His condition, mental and even more physical, is declining at an accelerating rate.
The conditions of his room are unbelievable. We need a welfare check on him ASAP!
His name is [REDACTED] and he resides in Room 433.

I did leave a message for mobile crisis but wondered if there is any other agency/department I can contact.

I have CCd Jennifer Vasquez on this email as well to hopefully enlist her advice.

Thank You

I'm so sorry to hear this. Do you know if he's 55+. Perhaps a referral to our Aging Services team.

Unfortunately at 11:45pm last night, [REDACTED] was dropped back off at the YMCA Residence. He could not walk. I set him up in a different room because in my heart of hearts I could not let him return to his room. I tried to send you a video of what he has done to the room.

We got him a walker and he made it to the temporary room.
If you can think of ANYTHING we can do please let me know.
He can't stay here because he can't take care of himself.

Thank You.
