NARRATIVE							
NARRATIVE:							
On 11/14/21, at approximately 0940 hours, officers responded to the area of Miliva St and Allston Way for the report of two subjects in an argument. Dispatch advised that the original RP was leaving the scene, but described an unknown BMA (later identified as (IP) Sinnaca Shaw) who was yelling and making threats towards an unknown HFA (later identified as (IP) Louisa Huber).							
I arrived and located Huber standing on the north curb of Allston Way at Civic Center Park, and she was verbally identified as an involved party in this disturbance. Huber stated the other party (Shaw), pointing at a male, was in the parking lot to the rear of Berkeley City Hall. Huber initially claimed she was pushed by Shaw, and stated Shaw was walking away. Huber did not have any apparent injuries and did not request medical aid, and I asked her to remain on scene while I attempted to contact Shaw.

Case # 2021-00052860

REPORT NARRATIVE

BPD-103 (rev. 01-29-2013)

NARRATIVE

I contacted Shaw, who was walking away from the area, who verbally identified himself and stated the following in summary:

Shaw stated he was standing near the corner of Milvia St and Allston Way when he was confronted by Huber. Shaw claimed that Huber has confronted him in the past, calls him "Nigger", and that he was telling her to leave him alone. Shaw stated Huber continued to confront him and take one of his backpacks, and stated that is when he poked her with his finger and told her "Bitch. Leave me alone".

I spoke with Huber who stated the following in summary;

Huber stated over the past few months she has consistently been harassed by "paid" agitators who stand outside of her apartment building all day long and slander her name by yelling out she is a pedophile and kidnapper. Huber claimed she heard someone outside her apartment yelling these accusations this morning, calling out her name specifically, and looked out her window and observed a subject appearing to be Shaw who was the only one in the area. Huber decided to exit her apartment to investigate who was yelling about her, and while she walked across the street (approaching Shaw) Shaw began yelling at her calling her a "Bitch" and pushed her.

Both parties claimed the other subject approached them and initiated the confrontation, and that both subjects were yelling at each other. Huber did not want anything done regarding the push, and did not want to seek prosecution. Shaw was admonished to refrain from any further contact/confrontation with Huber, which he verbally agreed, and he was released from the scene without further incident.

Huber's main concern were the claims of subject(s) hired to slander her and stand outside of the apartment complex all day yelling about her being a pedophile and kidnapper; as well as the involvement of all of the tenants of the building. Huber was provided advise on how to handle the issue, and was suggested to higher a lawyer if she believes her family is harassing her or to contact Berkeley regarding the stress related component of the day to day concerns. Huber was admonished to refrain from further contact/confrontation with Shaw which she verbally agreed.

Investigation was documented via BWC. Refer to BWC footage for additional information.

Nothing further.
