Ms. Perry,

Hope this email finds you well.

I am hoping we can discuss the possibility of creating a monthly rate or validation program for my residents and guests. We are converting the YMCA Hotel over to Long Term residence. Currently my residents and guests play the "meter" game. I would love to give them an option.

I don't know where to start and will defer to your wisdom. Thank you and I look forward to hearing from you.

Ms. Perry,

Hope all is well in your world!

We spoke before about how the YMCA "hotel" is converting to a long term, low income resident facility. Not a lot of my residents own cars, and really none or very few should. But the few that do own cars play the Meter Game. They feel they don't have the income to commit to \$230.00 a month for garage parking.

I wanted to ask if there is any other less expensive options for them?

I would appreciate your insights and totally understand if there isn't another option.

Thank You!
