Hello Lance,

Thank you again for reaching out in support of your resident.
In following up on our phone conversation, attached please find the flyer for the Berkeley Mental Health Family Support Group, in support of the cts. Brother.

As a reminder the number for the ct. to call the Berkeley Mental Health CAT team is 510 981 5244.

I cc'd Robbie Montoya, who provided me with the information regarding Options Recovery walk-in availabilities. She might be able to provide more information on that.

Please don't hesitate to reach out for more support.

Sincerely,

FRANZISKA GEHRMANN

Ms. McAdams, Ms. Burnich-Line and Ms. Gehrmann,

I hope this email finds you all well. Let me cut right to the chase.

I am the Executive Director of the YMCA Residence.
I have a resident with substance abuse issues. When under the influence he hallucinates, thinks other guests/residents kidnapped his son (who is grown and living in Sacramento) etc. etc.

When sober, he is a perfectly nice guy. He was seeing a substance counselor in Richmond but now I believe the counselor is too far away. He is going to end up getting kicked out of here, arrested or physically hurt because of his under the influence actions. I am trying to stop that from happening. Each incident seems to be escalating in aggressiveness and I will have no choice but to have him removed from the property.

Berkeley Police and the Mobile Crises team have been here multiple times, mostly because he has called them due to his delusions. Roberta Montoya of the Dorothy Day House gave me your contact information with the hope we can get this gentleman some help. His brother is local and will also help any way he can.

Your suggestions, referrals or assistance will be greatly appreciated. My cell phone number, 925-250-6652. Thank You.
