	<b>Preliminary Summary:</b> Undetermined manner of death of a 60-year-old male, identified as Brett Schnaper, who died in his Oakland residence. Schnaper was a resident at the Berkeley YMCA when staff noticed maggots coming from under his door and foul odor from the room. Berkeley fire responded and found Schnaper in the advanced stages of decomposition. Medication on scene was lisinopril, metformin and gabapentin. PMD at Lifelong medical. Unable to locate next of kin.
