<b>NARRATIVE</b>													
<b>Summary:</b> On 8-10-21, Louisa Huber reported to BPD that she continues to be harassed by her neighbors located at Harrison Street.													
<b>Investigation:</b> I made contact with Huber ifo the PSB regarding her on-going dispute with all of her neighbors located at Harrison Street. Huber stated she continues to be electrocuted by all the neighbors staying at the Trailer Park. Huber stated the electrocution is occurring because wires are attached to her trailer. On 8-4-21, I observed the wires on Huber's trailer and the photos of wires underneath the trailer. The wire attachments to the trailer and utility poles appeared to be normal, along with all the other trailers in the area attached to the utility poles.													
I advised Huber that she might consider moving out of the trailer park if she continues to have problems with her
