	<b>Preliminary Summary:</b> Natural death of a 64 year old white male identified as Michael Robert Surryhne, who died in his Berkeley residence. On 10/17/22, about 1805 hrs, Surryhne's roommate was with him when he stopped breathing and became unresponsive. 911 was called and paramedics responded. About 1824 hrs, Surryhne's death was determined by BFD paramedics with an EKG. No known medical history and had not seen a doctor in years. Surryhne had been experiencing difficulty breathing, and declining health for several days, his roommate wanted to call for medical help but Surryhne asked him not to. No trauma, drugs, alcohol or suspicious circumstances. Surryhne's roommate was his DPOA and was notified.
