Officer Futch,

Good Morning. Thank you for your assistance yesterday.

I am trying many different ways to get video sent to you. Email and text. Hopefully you have both angles now.

I did not get the link you were sending by email, so if you could send again it would be appreciated.

I have a couple of questions I hope you can answer...

Mr. Cammas is released and back in the building. Y problem is that we weren't informed he was being released and especially, we weren't informed he would be back in the building. People involved in yesterday's altercation are working/living there today. Obviously they were more than surprised to see him. My question is, whom can we talk to about that?

I/We, will be pursuing a restraining order. Is there anything I need from you to start that process?

Is there anything else you need from me?

Thank You Again!
